Dear Readers,

Welcome to the First Edition of *4-H Trailblazer*, your official newsletter for all things Tarrant County 4-H!

We are excited to bring you this monthly newsletter to keep you informed about future updates, deadlines, contests, camps, livestock shows, workshops, meetings, community service, and everything else our County, District, and State 4-H program has to offer to our 4-H members.

The start of this Newsletter definitely comes at a unique time. Something that everyone can agree on is that we have all had to make many adjustments in the past few months. We've had to become even more creative than usual in how we spend our time, learn, and even interact with other people. Luckily for us, we are a resilient bunch that are used to being innovative. It's important to view this time as a challenge. How can we still continue to uphold the 4-H pledge and motto? 4-Hers across Texas have risen to that challenge. There are many sewing masks for their communities, contributing to the over 12,000 masks and counting that have already been made and dispersed by Extension Volunteers. There are also many who have taken this opportunity to continue their projects at home and explore virtual opportunities. 4-Hers know how to go through adversity and ride the waves until the storm passes. Because the storm will pass and we will come out stronger in the end. For now, we are grateful for extra time with our families and have gained a new appreciation for them.

We hope you enjoy this Newsletter and thank you for continuing to Make the Best Better here in Tarrant County.

Sincerely,

Jacqueline Frampton

4-H NEWS

ATHLETES FOR COMPUTER SCIENCE

WE BELIEVE EVERY CHILD CAN LEARN COMPUTER SCIENCE!

Volunteer and Youth Sign-Up AVAILABLE NOW!

PROGRAM HIGHLIGHTS:

- partner with professional athletes to increase awareness & engagement in STEM education
- introduce students at an early age to careers in STEM
- teach students the skills needed for computing & information technology careers

We believe that when athletes engage students in computer science, the experience will provide confidence and positive associations that will make a measurable difference!

GET ENGAGED! **LEARN MORE!**

Instagram Us: @pvamu4h & athletesforcs

www.afcsnow.com
Contact: Cynthia Pierfax
cmpierfax@pvamu.edu

PROGRAM COMPONENTS:

- Video conference STEM lessons with professional athletes
- Code.org: exploration and discovery teaches children computer science knowledge

THE COOPERATIVE EXTENSION PROGRAM DOES NOT DISCRIMINATE AGAINST ANYONE REGARDLESS OF THEIR RACE, COLOR, NATIONAL ORIGIN, RELIGION, SEX, GENDER IDENTITY (INCLUDING GENDER EXPRESSION), SEXUAL ORIENTATION, DISABILITY, AGE, MARITAL STATUS, FAMILY/PARENTAL STATUS, INCOME, DERIVED FROM A PUBLIC ASSISTANCE PROGRAM, POLITICAL BELIEFS, REPRISAL OR RETALIATION FOR PRIOR CIVIL RIGHTS ACTIVITY.
